FOR DISCUSSION

- ⇒ *This is our last week for this session. Plan to have a summer outing and return together in the fall.*
- ⇒ 1. Everyone is important. Everyone has a gift. Why do we elevate the gifts in others and minimize the gifts within ourselves?
- ⇒ 2. Your life has tremendous value. Your life matters! God does not waste His gifts. Your contribution is essential. How do your gifts strengthen the Body of Christ? Are you utilizing them to the fullest?
- ⇒ 3. How could your gifts be utilized to reach the lost?
- ⇒ We often don't recognize what is in us. Have each person tell the person to their right the gifts that they see in them.

WHAT DID YOU TAKE AWAY FROM THIS SERMON
