## Into the Bible....

⇒ Read **Matthew 9:35-38**. Jesus was moved with compassion when He was out among the people. He saw they were “weary and scattered”. How different is it to see something first hand rather than just in pictures or on TV. Can you give an example from your own life?

---

---

---

⇒ Read **Luke 15:1-7**. As needy as people are, their greatest need is to be brought to God. **Luke 19:10** says that “Jesus came to seek and save the lost.” Discuss Jesus love for people and the length He will go to reach them.

---

---

---

⇒ StreetReach is a great way to get out where needy people are. Read these next scriptures and relate them to our work in the neighborhoods. **John 8:12**, **Acts 26:18** and **2 Corinthians 4:6**.

---

---

---

⇒ Allow these scriptures to also encourage you in your everyday life among the people you know in your neighborhood and workplace. Have a great week!
