

Small Group Homework  
for week of Mar 15th

**“How to Receive Guidance  
from God-3”**

**Conversation starters.....**

⇒ So much happening this week! Let’s start out with how you are being affected. Do you have children now at home? How will you handle childcare?

---

---

---

⇒ How is your job being affected?

---

---

---

⇒ Two weeks ago, we would not have imagined the challenges we face today in our everyday life. How is the believer to react? And how can we be an example and a help to others?

---

---

---

**Into the Bible....**

⇒ Main scripture for this series is **Romans 8:14-16**. Please read aloud.

⇒ Pastor Mirek is on Key #3 of how to receive guidance from God. His main point today was to develop our spirit man by praying in the spirit. Read **Acts 2:1-4** and **1 Cor. 3:16** aloud. Have you received the baptism in the Holy Spirit since you believed? When did that happen? Please share a few testimonies.

---

---

⇒ **Numbers 9:15-23** tells us of the cloud leading the children of Israel. Our “cloud” today is the leading of the Holy Spirit in our spirits. Verse 23 says *“At the command of the Lord they remained encamped, and at the command of the Lord they journeyed....”* Compare how the Holy Spirit leads us in our lives today.

---

---

⇒ With the leading of the Holy Spirit being so vital for us, how important is praying in the spirit? We sensitize our spirits to His voice as we pray and listen. Share with one another what ways you use to increase your prayer life. If anyone is not filled with the Holy Spirit with the evidence of speaking in tongues, well, now would be a good time.
