

Small Group Homework  
for week of Apr 12th

**"Your Resurrection"**  
Pastor Mirek Hufton

**Conversation starters.....**

⇒ Happy Easter! This Sunday we celebrated the most significant day of the Church calendar. Let's start by just sharing memories of Easter as a child. What fun things did your family do, if any? Was church attendance part of that celebration?

---

---

⇒ I remember the first Easter after I was born again, how different the day was for me. When did the significance of Holy Week and the Resurrection begin to change for you as you got older?

---

---

⇒ This year is different from any other, obviously. Talk about how you spent Easter Sunday.

---

---

**Into the Bible....**

⇒ Read **Matthew 16:21-23** and **Matthew 17:22-23**. Jesus knew exactly why He had come to the earth. Why did it say the disciples were exceedingly sorrowful?

---

---

⇒ Read the account of the Resurrection in **Matthew 28:1-10**. Wow! So joyful! Such a turn-around of events! His resurrection changed everything. Focus on the words "Rejoice" and "Do not be afraid". Discuss how these are the hallmarks of every Christian's life, and should be in our current circumstances.

---

---

⇒ Pastor Mirek read the 1986 prophetic word by David Wilkerson. How amazing and accurate! Let's finish up by discussing the current time of lock-down. Jesus was certainly "locked-down" 3 days in the grave. Talk about the future, what will be different in your life spiritually when this is over? How can the resurrection of Jesus be our resurrection? Do you believe there will be revival in the church and the world?

---

---

⇒ Let's pray together for the future. This too will pass and we will go on to greater things in our lives and in the life of the Church, bringing resurrection power to the world! God bless you all!
