

Small Group Homework
for week of March 7th
“ **Mission Culture of the Church** ”
Dr. Jerry Williamson
Rev. Craig Kuehn

Conversation starters.....

- What a great weather week we had last week. Did you get outside and do any outdoor activities?

- We had guest missionary speakers on Sunday. At any time in your life, did you dream about or consider becoming a full-time missionary?

- What nation or other culture do you feel the most connected with or drawn to? How do you think you could have a lasting impact on that culture for the gospel?

Into the Bible....

- What part of Sunday’s message stands out to you the most? What was your impression of the speakers from Go To Nations?

- If you attended the Saturday conference, share with the group the main theme and how it impacted you.

- When Jesus was on the earth, He birthed, empowered and commissioned the Church. All 4 Gospels and Acts records His essential words. Read aloud **Matthew 28:18-20, Mark 16:15-18, Luke 24:46-48, John 20:21, and Acts 1:8**. Choose a few elements from these passages and discuss how He was talking to each and every believer.

- Is every Christian called to leave their culture and go live permanently in another culture? What can every believer do to actively and consistently reach the nations for Christ? What are your personal plans?
