

Small Group Homework for week of March 28th

“ **No Greater Love** ”
Pastor Mirek Hufton

Conversation starters.....

- This week is Holy Week and the last week of small groups until the end of April.

- How did you celebrate Easter as a child? When did you become aware of the spiritual significance of the holiday?

- What are your traditions now? How does your family celebrate Easter?

- We had a special dramatic presentation this Sunday. What was your main take-away and how impactful was it for you?

Into the Bible....

- Read **Romans 5:6-11**. This passage tells us that it might be possible for someone to die for a good person. But then emphasizes that we did not fit that description! Discuss this passage focusing on the love that God had for us, and the results of Jesus' sacrifice in our lives.

- How did your perception of God the Father change after you received Christ? Discuss how God took you just as you were, received you and loved you because of the blood of Jesus.

- Read **1 John 3:16** and **Ephesians 5:1-2**. We have been forgiven of everything as Jesus acted out His unconditional love and sacrificed His life for us. Discuss the instructions in these 2 passages of the expected response we are to have in our lives toward others.

- Have a Happy Easter! See you next month. :-)
