

Small Group Homework for week of April 25, 2021

“ **The Anatomy of a Proper Offering**”
Dr. John Avanzini

Conversation starters.....

- Welcome back to small groups! We will be in session for the next 6 weeks, through the week of May 30th. Take some time to catch up with everyone and introduce any new members.

- Our guest speaker this week was Dr. John Avanzini. He has a message for the church regarding giving and receiving. Do you recall a time in your Christian walk when you received revelation about the importance of giving?

- Share a few testimonies of God supplying a need following the obedience of giving an offering.

- What was your biggest take-away from Sunday’s message?

Into the Bible....

- Read **Exodus 35:20-29**. This is the account of the children of Israel in the wilderness and the process of building the tabernacle. Amazing how God allows people to be a part of using something material to build something sacred! Go through and point out the number of times this passage refers to the heart of the individual.

- God still needs His people to participate in the acquiring of property and the building of buildings for His Kingdom. But discuss how the exchange of our material goods are used for the spiritual ministry to the saints and the harvest of new souls.

- Read **Luke 6:38**. These are the words of Jesus. Giving is not just about supplying for the Kingdom. Discuss how giving is also God’s way of supplying for your own personal needs.
