**CONNECTING TO YOUR ETERNAL
FAMILY**

Pastor Mirek Hufton

Conversation starters.....

- This is Memorial Day week. Do you have any traditional Memorial Day family celebrations? Did you do anything special this week?

- This is the time to remember those who have served in the military, and/or those who have lost their lives in that service. What loved ones or family members do you remember and honor during this time?

- There is nothing like the bond that happens in times of serving, especially in battle. The term “camaraderie ” is defined as “the essence of what binds military units together, providing the cohesiveness among the individual members, which allows the unit to effectively as a collective entity”. How does this term also define Christianity?

Into the Bible....

- Paul tells us in **2 Timothy 2:3-4** that we are to be as soldiers in God’s army. No soldier goes to battle by himself. The family of God is designed to function as a unit. (**Eph 4:16, 1 Peter 2:17, Romans 12:10**). Can you think of some ways that the family of God is like a unit in the military?

- Read **Philippians 2:4**. This is our assignment. It is best worked out in the local body. If we are not connected to one another, how can we look out for others needs and interests if we don’t know who or what they are? Discuss the practical ways that we can walk out this verse.

- This is our last small group meeting time before the fall. How can we continue to serve the Body and connect as a group and as individuals this coming summer? What are your favorite areas of service?

- Have a great summer! See you in the fall.
